## WINES

Every bottle of Bloupunt wine tells a story – of the land, the season, and of the hands that shaped it. We believe wine, like art, stirs the senses, sparks memory, and celebrates the beauty of perfection. Artists Martin Osner and Samantha Lee Osner start to tell the story of each Bloupunt wine before the bottle is even opened.

This unoaked Chardonnay is about bright citrus notes—lemon zest, grapefruit, and green apple that are layered over a clean, flinty minerality. Fresh, vibrant, and beautifully balanced, it's a wine that speaks of limestone-rich soils, mountain breezes, and hands-off winemaking.
